The Ohio State Term Schedule offers a wide variety of commodities and services at prices that have been determined to be competitive, economical and reasonable. Orders placed against a State Term Schedule are considered to be issued using fair and open competition. Therefore, ordering offices need not seek further competition or make a separate determination of fair and reasonable pricing. The use of this contract is available to all state agencies, state institutions of higher education and political subdivisions properly registered as members of the Cooperative Purchasing Program of the Department of Administration Services, as applicable.

This Ohio State Term Schedule includes all Romtec vault and plumbed restrooms, restroom/shower facilities, concession and multi-use buildings, pre-engineered utility buildings plus fixtures, hardware and accessories. They are structured to comply with Ohio procurement codes, guidelines and policies. For information call or go online to www.romtec.com.

Romtec is pleased to provide complete "turnkey" supply and installation of any Romtec facility. Through the above listed Ohio STS, the aforementioned agencies can enjoy the professional supply, design and installation services of Romtec. Contact Romtec to discuss how we can provide and install your facility within budget and on time.
